Understanding the ABLE ACT

Diana Fishlock from PA Treasury will explain The PA ABLE Savings Program (PA ABLE) which helps people with disabilities (eligible individuals) save money for a wide range of qualified disability expenses without jeopardizing government benefits.

The Pennsylvania ABLE Savings Program (PA ABLE) provides individuals with qualified disabilities as well as their families and friends, a tax-advantaged way to save for disability-related expenses, while maintaining government benefits. Plus, Pennsylvania taxpayers can now deduct PA ABLE contributions from their state taxes, within limits. PA ABLE offers seven different investment options, including a checking account with a debit card. To learn more about saving through PA ABLE, and to read the disclosure statement, please visit PAABLE.gov or call the PA ABLE customer service center at 855-529-ABLE (2253). The Pennsylvania ABLE Savings Program is administered by the Pennsylvania Treasury Department. Before investing, please carefully read the Disclosure Statement (available at PAABLE.gov or by calling 855-529-2253) to learn more about the program, including its effect on federal and state benefits, investment objectives, risks, fees, and tax implications.
