Time: 6:30-8:00pm

Location: Bethel AME Church

50 S. Merion Avenue, Bryn Mawr, PA 19010

Parking in the front and rear of the property

Kaleidoscope is excited to welcome Michele A. Leahy, MS, founder and CEO of M. Leahy & Associates to discuss **Disability Life Planning**. If you have questions about applying for government benefits including SSI/SSDI and waivers, workplace incentives, adult supports, or disability rights, this is the workshop for you.

Michele A. Leahy, MS, is Founder and CEO of M. Leahy & Associates, a firm dedicated to life planning for those with disabilities as well as their families. Michele understands disability challenges from both a professional and very personal perspective. After managing grants intended to navigate government benefits, including Social Security, Michele led the charge in Southeastern PA to reach out to students with disabilities and their families facing a future of uncertainty. She assists in developing strategies of funding special needs trusts with creating a roadmap to meaningful adult supports. Her drive led her to assist students with disabilities exiting the school system to develop a holistic planned approach of blending and braiding community and financial supports.

Bring your child (18 and over) to a simultaneous social skills peer support group.

Refreshments served.

Please RSVP to Pam Frebowitz pfrebowitz@kfamilyolutions
