ODP Waivers: Supporting Families and Everyday Lives

The Office of Developmental Programs made significant changes to the Person/Family Directed Support and Consolidated Waivers; and created a new Community Living Waiver. Come learn about how the changes can support your loved one to have an Everyday Life. During this workshop, we will discuss:

- The importance of having a vision;
- All the waiver services across the Life Domains;
- Integrating waiver services with other supports;
- And how the waiver renewal supports families across the lifespan.
