

What would you do if your community gave up on your child? In New Jersey, the parents of one boy on the autism spectrum take matters into their own hands. They form a competitive swim team, recruiting diverse teens on the spectrum and training them with high expectations and zero pity. What happens next alters the course of the boys' lives. *Swim Team* chronicles the extraordinary rise of the Jersey Hammerheads, capturing a moving quest for inclusion, independence and a life that feels winning.
